

LEAD RRP REFRESHER

Date: Wednesday 11/8/2017

Time: 1:00—5:00

**HBA of South GA
3380 Greystone Way**

Course Fee: \$175.00 Members
\$225.00 Non-Members

As of December 9, 2010 Firms and Individuals must now be Certified by GA EPD to work in Georgia. The 4-hour Refresher Renovator course is required every 3 years after the initial training. This includes renovators who completed training prior to December 9, 2010. Renovators that do not complete the Renovator Refresher training course by 4 years after the last day of their training must complete the initial Renovator training course.

This 4-hour accredited course will refresh you prior training in Lead Safe Work Practices with lecture and hands-on training. Course booklets, Georgia application forms, EPA application forms, and all required documentation will be available to the class.

EPA's Renovation Repair & Painting Final Rule (40 CFR 745) requires that renovations conducted for compensation, must be performed by Certified Firms using Certified Renovators.

Georgia EPD requires Certification of both Firms and Renovators in the GA Rule Chapter 391-3-24.

YOU MUST VERIFY WITH JILL ELIGIBILITY AND BRING A COPY OF YOUR INITIAL TRAINING CERTIFICATE TO CLASS

For more information or to register
